

NEW MEMBER 9-HOLE PROGRESSIVE DINNER

INTERACTIVE TWIST ON A TRADITIONAL ROUND OF GOLF

Crafting a Memorable Welcome

To create a warm and engaging welcome for our newest members, we introduced a Progressive Golf Experience, transforming a traditional round of golf into an interactive and social event.

A Taste of the Club at Every Hole

Instead of just playing through, members are treated to delicious food and beverage pairings at each hole, showcasing our culinary excellence and club hospitality.

Meet the Team, Make Connections

Friendly staff are stationed at every stop, creating opportunities for new members to engage with the team and fellow golfers in a relaxed setting.

More Than Golf—A True Club Experience

This event blends golf, socializing, and signature club experiences, turning a round of golf into an unforgettable introduction to our community. The result? Happy new members, stronger connections, and a fresh tradition to build upon!
